NUMBER 3

MARCH 2013

A lady was walking down the street and saw a parrot on a perch in front of a pet store. The parrot said to her, "Hey lady, you are really ugly." She stormed past the store to her office. On the way home, she saw the same parrot. Again, it said, "Hey lady, you are really ugly." Now, she was mad. The next day, the parrot again spoke to the woman as she passed. "Hey lady, you are really ugly." The lady went into the store and talked to the manager. The store manager apologized profusely and promised he would make sure the parrot didn't say it again. When the lady walked past the store later that day, the parrot called to her, "Hey lady." She paused and said, "Yes?" The bird said, "You know."

I told my teenage son to enjoy this part of his life. "Never again," I said, "will you ever feel so secure in your ignorance."

The classified ad said, "Wanted: CEO needs a one-armed consultant with a social sciences degree and five years of experience." The man who won the job asked, "I understand most of the qualifications you required, but why 'one-armed'?" The CEO answered, "I have had many consultants over the years, and I'm tired of hearing them always say 'on the other hand.'"

A small boy stunned his parents after church one Sunday when he emptied change from his pockets. His mother asked, "Where did you get all that money?" "At Sunday school," the boy replied nonchalantly. "They have bowls of it."

A judge entered the courtroom, struck the gavel, and said, "Before I begin this trial, I have an announcement to make. The lawyer for the defense has paid me \$15,000 to swing the case his way. The lawyer for the plaintiff has paid me \$10,000 to swing the case her way. In order to make this a fair trial, I am returning \$5,000 to the defense."

A pharmacist looked out the front of his store and saw a woman holding a bottle and jumping up and down in the parking lot. Confused, he walked out to the parking lot and asked the woman, "What's the matter?" She replied, "I didn't notice until after I took the medicine that it said, 'Shake Well.'"

As Gayle was getting to know Jim and his family, she was very impressed by how much his parents loved each other. "They're so thoughtful," Gayle said. "Why, your dad even serves your mom a cup of hot coffee in bed every morning." After a time, Gayle and Jim were married. On the way from the wedding to the reception, Gayle again remarked on Jim's loving parents and even the coffee in bed. "Tell me," she said, "does it run in the family?" "It sure does," replied Jim. "And I take after my mom."

Dear Noah,
We could have sworn you said the ark wasn't leaving till 5.

My parents are both busy professional people and have trouble finding time for chores and home maintenance. On weekends, they each make a list of things to be done. Father's list is never completely crossed off, but Mother's always is. Puzzled, I asked her how she managed that. "Simple," she answered with a satisfied grin. "I do the chore first, and then I put it on the list and cross it off!"

A detective who spent his entire career in plain clothes quit the police force and bought a farm. "What kind of crops do you plan to grow?" the police chief asked the farmer-to-be. "Carrots and potatoes," the man replied. "Why carrots and potatoes?" asked the chief. "Because," answered the ex-detective, "I'm very fond of undercover crops."
