NOVEMBER 2012

I AM ITCHIN' FOR SOME GOOD LUCK

What do you get when you cross poison ivy with a four-leaf clover? A rash of good luck.

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture. "Just think how nice it will be to look at it when you're all grown up and say, 'There's Jennifer; she's a lawyer,' or 'That's Michael; he's a doctor.'" A small voice at the back of the room rang out, "And there's the teacher. She's dead."

HAPPY? BIRTHDAY!

On my birthday, I was cutting the grass when my teenage son came home from school. Seeing me behind the mower, he exclaimed, "Oh, Dad, you shouldn't have to mow the lawn on your birthday." Touched, I was about to turn the mower over to him when he added, "You should wait until tomorrow!"

Maurice, an 82-year-old man, went to the doctor for his physical. A few days later the doctor saw Maurice walking down the street with a gorgeous young lady on his arm. The doctor stopped Maurice and said, "You're really doing great, aren't you?" Maurice replied, "Just doing what you said, Doc: 'Get a hot mamma and be cheerful.'" The doctor said, "I didn't say that. I said, 'You've got a heart murmur. Be careful.'"

I'M GETTING AREAL KICK OUT OF THIS RIDE.

ME TOO.

Martin had just received his driver's license, so his whole family climbed in the car for a ride. Dad immediately headed for the back seat, directly behind the newly minted driver. "Looking for a change of scenery?" said the beaming boy to his father. "Nope," came Dad's reply, "I'm gonna sit here and kick the back of your seat as you drive, just like you've been doing to me all these years."

All I ask is the chance to prove that money cannot make me happy.

A guy went to his girlfriend's house for the first time. She showed him into the living room and excused herself to get some water in the kitchen. As he stood there alone, he noticed a beautiful vase on the mantel and picked it up, just as the girl walked back in. "What's this?" he asked. "Just my father's ashes." "Oh... I... Uh...," he stammered. "Yeah, he's too lazy to go to the kitchen to get an ashtray."

A man has reached middle age when he is warned to slow down by his doctor instead of the police. ~Henny Youngman

A lady lost her purse one day while shopping at a busy department store. Fortunately, it was found by an honest little boy who returned it to her. "Thank you," she said and looked inside it. "Hmmm," she said. "That's funny. When I lost it, there was a twenty dollar bill in it. Now there's twenty one dollar bills." "That's right, lady," said the clever little boy. "Last time I returned a lost purse, the lady said she didn't have any change to give me a reward."

A young child was having a physical examination before entering school. The doctor asked him, "Have you ever had any trouble with your ears and nose?" "Sure," answered the boy. "They always get in my way when I'm taking off my T-shirt."

SHUCKS! I CAN ANSWER THAT QUESTION.

Not expecting to do well on the economics exam, Bill was heartened by the first question: In any given year, and to the nearest ton, how much wheat did the United States export? Smiling confidently, he wrote, "In 1492, none."

THAT'S UDDER NONSENSE!

Farmer Jones was telling a story about milking cows by hand. On one occasion as he was milking, a fly kept buzzing around his head. As he shooed it away, it flew up to the cow's head and right into her ear. Farmer Jones went back to milking and saw a fly drop into the bucket. He figured it must have gone in one ear and out the udder.
